Leader: **Come, let us gather at the river!**

People: In the constant flow of rivers we are
reminded of the constancy of God's grace.

Leader: **Come, let us gather at the river!**

People: As a deer thirsts for streams of water,
so we are truly thirsty for God.
As a people living in the world,
we come seeking God's river of life.

Leader: **Come, let us gather at the river!**

People: In the crashing and surging of a river's
rapids and in the quiet still bends of a
stream, we are reminded of God's presence
in all life

Leader: **Come, let us gather at the river!**

People: In openness and with eager expectation,
we are here to worship, convinced that God
will meet us, and that his river of life flows
for us.

All: ***Come, let us gather at the river!***
