*Call To Worship

Leader: The enemy: love them.

The oppressor: walk the mile with them.

The Master: turn the other cheek to them.

**People: This doormat faith seems too much to bear
in a world where those who bully
always seem to win.**

Leader: The enemy: imbalance them with love.

The oppressor: shame the law that oppresses.

The Master: turn the cheek as an equal.

**People: This rebellious faith seems too much to bear
in a world where those who bully
are loved back to justice by the bullied.**

*All: But this is heaven's revolution and we are
called into it.*

Come, let us worship love's rebel, Jesus.
