### Blessing

May God bless you with a restless discomfort about easy answers, half-truths, and superficial relationships, so that you may seek truth boldly and love deep within your heart.

May God bless you with holy anger at injustice, oppression, and exploitation of people, so that you may work tirelessly for justice, freedom, and peace.

May God bless you with the gift of tears to shed with all who suffer from pain, rejection, and starvation, so that you may reach out to bring comfort and transform pain into joy.

May God bless you with enough foolishness to believe that you really can make a difference in this world, so that you are able, with God's grace, to do what others claim cannot be done.
